Writing Effectively

Grades 9-12

Writing is one of the most important skills you need to succeed in high school, college and beyond.

In the Writing Effectively class you will learn how to organize thoughtful and logical papers to improve your writing assignments. Learn to use your personal knowledge and experience to develop well-constructed paragraphs. Practice writing and rewriting to produce strong topic sentences and solid supporting details.

Dates & Times

Saturdays
9:30 AM - 12:00 PM
Dec. 5, 12, 19 & Jan 9, 16, 23

Excel 2007

Excel is the most widely-used computer spreadsheet program in the workplace. Learn how to use the Sum function and other common functions to make numeric calculations a snap.

Sign up early to ensure a place in our Excel 2007 class. Each class builds on the previous week's topics.

GED CLASSES

Seneca Ridge is offering Montgomery College instructor-led GED classes to expand educational, vocational and professional opportunities for HOC residents who have not yet obtained a high school degree.

The GED classes will provide you with a solid foundation in the most important test topics, including many helpful tips and strategies. If you are ready to commit the time and energy required to prepare successfully for the GED testing, call: 240. 773.9349.

Attendance at the GED Orientation, January 13th, is required to register for GED classes.
