Line of Credit ($60 Million) or Such Other Qualified Tax-Exempt Obligation Subject to Volume CAP

Kayrine Brown, Chief Investment & Real Estate Officer and Zachary Marks, Asst. Director of New Development, were presenters.

The following resolution was adopted upon a motion by Commissioner McFarland and seconded by Chair Pro Tem Nelson. Affirmative votes were cast by Commissioners Roman, Simon, Nelson, Hatcher, and McFarland.

Line of Credit ($60 Million) or Such Other Qualified Tax-Exempt Obligation Subject to Volume Cap

WHEREAS, the Housing Opportunities Commission of Montgomery County (“HOC” or “Commission”), a public body corporate and politic duly organized under Division II of the Housing and Community Development Article of the Annotated Code of Maryland, as amended, known as the Housing Authorities Law, is authorized thereby to effectuate the purpose of providing affordable housing, including providing for the acquisition, construction, rehabilitation and/or permanent financing or refinancing (or a plan of financing) of rental housing properties which provide a public purpose; and

WHEREAS on September 2, 2015, the Housing Opportunities Commission of Montgomery County (the “Commission” or “HOC”) adopted a Bond Authorizing Resolution for the issuance of up to $40 million of tax-exempt private activity bonds to fund two mortgages for Arcola Towers RAD Limited Partnership (“ATRLP” or the “Partnership”) and Waverly House RAD Limited Partnership (WHRLP); and

WHEREAS on November 30, 2015, the Montgomery County Executive signed a resolution to approve the issuance by the Commission of up to $40 million of private activity, tax-exempt bonds pursuant to the Tax Equity and Fiscal Responsibility Act (“TEFRA”) of 1982 which is effective for up to three years from the approval date; and

WHEREAS the Commission issued $35,850,000 in private activity, tax-exempt bonds which provided $8,425,487 of permanent mortgage proceeds for WHRLP and $6,116,778 for

WHEREAS a sprinkler and fire alarm system installation project for Arcola Towers could not be completed prior to the real estate closing and was added to the overall rehabilitation budget, which increased the development budget and resulted in an increase in tax credit equity for the project due to higher eligible basis on which the tax credits are based but caused the tax-exempt bonds as a percentage of total eligible project costs, inclusive of the Commission’s full Development Fee, to fall below the required 50% threshold (the “Federal 50% Test”); and

WHEREAS to meet the Federal 50% Test for Federal Tax Law purposes and reinstate the full amount of the Commission’s Development Fee originally anticipated, HOC must issue additional private activity, tax-exempt bonds and use those proceeds to fund the cost of the fire alarm and sprinkler installation and may fund the additional bond issuance from a draw on the original PNC Bank, N.A. Line of Credit ($60 million) (the “LOC”) which would be repaid from the County’s Capital Improvements Program (“CIP”) funds; and

WHEREAS, the Commission’s bond counsel, Kutak Rock, LLP and Financial Advisor, Caine Mitter and Associates, Incorporated, have confirmed the appropriateness of this additional issuance under the current HOC and County Executive approvals and agrees that the issuance of additional private activity, tax-exempt bonds may be funded by drawing the required amount on the PNC Bank, N.A. Line of Credit; and

WHEREAS, in the event that the issuance of another tax-exempt obligation (subject to volume cap and a loan of such funds to the Partnership) will be more favorable than a draw on the LOC, allows the Commission to reinstate its full Development Fee, and allows the Partnership to satisfy the requirements of the Federal 50% Test, then the Commission wishes to avail itself of such other qualified tax-exempt obligation option; and

WHEREAS, the Commission anticipates that the funds drawn will remain outstanding until the completion of the rehabilitation in approximately 12 months.

NOW, THEREFORE, BE IT RESOLVED that the Housing Opportunities Commission of Montgomery County, acting in its own capacity and for and on behalf of Arcola Towers RAD GP LLC, acting for and on behalf of the Partnership, hereby authorizes and directs the Executive Director to take any and all actions necessary to cause the Commission to issue up to $2 million of additional private activity, tax-exempt bonds and loan such funds to Arcola Towers RAD Limited Partnership, including the allocation of up $2 million of volume cap.

BE IT FURTHER RESOLVED that the Housing Opportunities Commission of Montgomery County, acting in its own capacity and for and on behalf of Arcola Towers RAD GP LLC, acting for and on behalf of the Partnership, hereby authorizes and directs the Executive Director draw up to $2 million on the PNC Bank, N.A. Line of Credit ($60 million) or issue such other, more favorable qualified tax-exempt obligation and loan said funds to ATRLP with the loan to be
repaid from County appropriated CIP funds upon completion of the rehabilitation of approximately 12 months, and for Arcola Towers RAD Limited Partnership to accept such loan.

BE IT FURTHER RESOLVED that the Housing Opportunities Commission of Montgomery County, acting in its own capacity and for and on behalf of Arcola Towers RAD GP LLC, acting for and on behalf of the Partnership, hereby authorizes and directs the Executive Director, without further action on their respective parts, to take any and all other actions necessary and proper to carry out the transaction contemplated herein, including the execution of any loan documents related hereto.

Property Management

Blizzard 2016

The Baltimore/Washington corridor experienced a record-breaking winter storm last week. Some parts of Montgomery County saw more than 30 inches of snow. This amount of snow is a challenge to remove. Property Management offices opened on Monday, January 25, 2016 to coordinate snow removal and assist residents with any concerns. Within 24 hours, all sidewalks at HOC properties and HUBs were clear. The crews faced several challenges: full parking lots and limited space to put the large amounts of plowed snow. HOC used additional equipment at some properties to assist with large volumes of snow.

Technicians and/or custodians stayed overnight at all HUBs throughout the weekend when the storm hit. We experienced some construction delay as contractors could not access certain properties, but this was limited to scattered sites. Management at all HUBs worked with contractors and staff to make sure every entrance and exit was clear and safe. We received a few complaints of slower than desired plowing and removal through 311 but we were unable to respond because no addresses were provided.

I am pleased to inform you that HOC received no reported emergencies, injuries or resident relocations before, during or after the winter storm.

Mortgage Finance

Arcola Towers and Waverly House

On December 22 and December 23, 2015, Mortgage Finance, Real Estate and Legal teams, successfully closed on the real estate, tax credit equity and FHA Risk Share loans for Arcola Towers and Waverly House. Both communities have now converted from Public Housing to Project Based Rental Assistance (PBRA) contracts under the Rental Assistance Demonstration (RAD) program. The communities have a total of 298 units and serve low-income senior citizens and people with disabilities.
The financing used approximately $35 million in short-term and long-term bonds for the acquisition and rehabilitation of both senior communities. The planned renovations at both communities total $24 million and will enhance the lives of our senior population and our assets. The permanent Risk Share mortgages on the properties will bear interest at 4.55% for 37 years with both communities achieving a 1.15 Debt Service Coverage Ratio.

Arcola and Waverly will also benefit from a combined $23 million in equity raised from the sale of Low Income Housing Tax Credits (LIHTC) by the property’s investors Boston Capital and R4 Capital. HOC will be the managing general partner. The PBRA contracts will provide federal subsidies for all of the units at Arcola and 145 units at Waverly. The remaining 12 units at Waverly will be restricted to households earning 60% or less of the Area Median Income.

**Alexander House and Greenhills Apartments**

On January 8, 2016, Mortgage Finance and Legal teams closed two tax-exempt interim loans with BB&T Bank in the amount of $20.59 million for Alexander House and $4.30 million for Greenhills Apartments.

The Commission approved the interim financing plan for both properties on September 2, 2015. The interim BB&T loans will free up $24.47 million on the Commission’s $90 million PNC Real Estate Line of Credit, while continuing to provide both properties with low, short-term borrowing costs, as the properties await redevelopment within the next two years.

The Alexander House loan is interest-only for two years with a fixed interest rate of 1.93% and an option to extend one year at a tax-exempt variable rate. The Greenhills loan is also interest-only with a term of one year with a fixed interest rate of 1.57% and an option to extend for up to one additional year at a tax-exempt variable rate.

Both Alexander House and Greenhills Apartments are projected to maintain healthy debt service coverage ratios of 8.66 and 8.56, respectively.

**Real Estate**

**RAD Meetings**

On Monday, January 4, 2016, Real Estate and Public Affairs held a RAD meeting for residents at Arcola Towers. HOC also held a RAD meeting on Thursday, January 7, 2016 for residents at Waverly House.

During the RAD meetings, clients received updates on the projected time frame and which units will undergo renovations first. Staff answered client questions and met one-on-one with residents after the
RAD meeting to discuss individual concerns. HOC held both meetings in four different languages with the help of translators.

Real Estate held additional meetings on Wednesday, January 20, 2016 at Arcola Towers and Thursday, January 21, 2016 at Waverly House to discuss the moving process with residents.

Renovations are scheduled to begin in the next 60 days and both projects are expected to be completed in approximately 12 to 13 months. To date, HOC has closed nine of the 11 approved properties in the RAD program.

**HOC Academy**

*Job P.R.E.P. Boot Camp*

HOC Academy and A Wider Circle held a one-week Job P.R.E.P. Boot Camp for clients last week. A second session will be held from April 4 to April 8, 2016.

The Boot Camp focuses on resume writing, interview skills, career path identification and job advancement. Each participant is matched with a job coach and given access to computers for resume writing and job searches.

The interactive workshop is a great opportunity for clients to prepare for a new career or advance their current position. It also boosts their confidence.

Executive Summary

• Alexander House Apartments (the “Development”) was constructed in 1992 and is located at 8560 Second Avenue, near the Silver Spring Metro Station. The property is a single sixteen story building with a three-level underground parking garage. The building contains 311 units, 203 parking spaces, management offices, and maintenance and engineering rooms. The property also shares a common outdoor pool with Elizabeth House Apartments, the property adjacent to the north.

• Alexander House is an important element of the redevelopment of Elizabeth Square. The preliminary and project plan for Elizabeth Square which was approved on July 23, 2015 also includes amendments to the property. Further, minor site plan amendment approval was achieved for the property on June 9, 2015, incorporating it seamlessly into the overall square.

• Upon refinancing of Alexander House, the equity proceeds may be contributed to the funding of the affordable housing component of Elizabeth House III.

• On November 2, 2015, HOC issued a request for proposal (“RFP”) #1975 for Architectural Services, Scope of Work and Design Documents for modernizing interior units.

• Based on the evaluation of the four responses, staff recommends Commission approval of the selection by Alexander House Development Corporation (AHDC), of Miner Feinstein Architects to complete architectural design and drawings for renovation of the interior of the units at Alexander House Apartments, and for the negotiating and execution of related contract documents.

• On January 7, 2016, HOC issued a request for qualification (“RFQ”) #1980 for Contractor Evaluation and Selection Process. This is a two-part selection process. The first part, a Request for General Contractor Prequalification Submissions, will enable HOC to develop a list of prequalified General Contractors from which HOC will then solicit proposals for price and time of completion. The second part is a Contractor Evaluation and Selection process to evaluate the actual proposals submitted.

• To prepare for closing during 4th quarter of 2016, it is necessary to engage legal services to prepare contract documents, third party professionals, third party reports, architectural services to begin permit/construction drawings for the interior renovation plan, and prepare a Low Income Housing Tax Credit (“LIHTC”) application to the Maryland Department of Housing and Community Development (“DHCD”).

• Staff herein requests a predevelopment loan of $1,025,420 to the Development to be funded from the Opportunity Housing Reserve Fund (“OHRF”) to prepare and submit a LIHTC application. The loan will be repaid from permanent financing proceeds at closing. The unobligated balance in the OHRF as of January 15, 2016 is $13.5 million.

February 3, 2016
HOC issued a request for proposals (‘RFP’) # 1975 for Architectural Services, Scope of Work and Design Documents for Modernizing interior units at Alexander House. The scoring team (consisting of staff from Mortgage Finance, Real Estate Development and Property Management) completed its review of the responses on December 10, 2015, based on the following criteria:

• **Experience** (45 points)
  – Key Factors: Demonstrated experience as interior unit architect on similar projects located in the Washington, DC metropolitan area, specifically with affordable housing, local building codes and experience with High rise building
  – Strong track record of completed projects over the past five years utilizing Low Income Housing Tax Credits in Maryland

• **Price** (25 points)

• **Qualifications** (20 points)
  – Key Factors: Principal and staff resumes, organization/team ability and availability to undertake and successfully complete the project: commitment to adhere to HOC’s Section 3 requirement; and willingness to employ and train minority, female, and disabled persons
  – Ability of the organization/team to undertake and complete successfully projects of comparable size and scope

• **Schedule** (10 points)
  – Anticipated schedule in detail for production of each phase of architectural documents
Selection of Architect – Scoring Summary

There were four respondents to the Alexander House RFP. Of the four qualified responses, Miner Feinstein Architects scored highest in the average of the evaluators’ scores on the criteria. The firm’s total score was **94.7%**. Included in its experience is a proven history of successful work with HOC on the rehabilitation of Arcola Towers, Timberlawn Crescent, and Pomander Court. All firms have prior experience with HOC’s projects. The difference in price when compared to the next highest bidder is negligible; therefore, staff proposes the selection of Miner Feinstein Architects.

*Evaluated by: Mortgage Finance, Real Estate Development and Property Management

As part of HOC’s continuing effort to provide its residents with higher quality and amenity-rich affordable housing, staff proposes an interior renovation similar in scope to Arcola Towers and Waverly House. Staff has requested that the interior unit architect include in its pricing, all interior apartment units, lighting fixtures, common area wall colors and treatments, and corridors.

Staff Recommendation and Commission Action Needed

Staff recommends that the Commission accept the recommendation of the Development and Finance Committee and approve the selection by AHDC of Miner Feinstein Architects as architect for the interior units renovation at Alexander House Apartments and authorize the Executive Director to negotiate and execute related documents.

Staff also recommends Commission approval of $1,025,420 as a predevelopment loan to Alexander House Development Corporation, funded from the OHRF and repaid from permanent loan proceeds at closing.
RESOLUTION No.: 16-11  RE: Approval of the Selection by Alexander House Development Corporation (AHDC) of Miner Feinstein Architects as Interior Unit Architect and AHDC’s Execution of an Architect Contract, and Approval to fund a Predevelopment Loan to AHDC

WHEREAS, the Housing Opportunities Commission of Montgomery County (“HOC” or “Commission”), a public body corporate and politic duly organized under Division II of the Housing and Community Development Article of the Annotated Code of Maryland, as amended, known as the Housing Authorities Law, is authorized thereby to effectuate the purpose of providing affordable housing, including providing financing for the construction of rental housing properties which provide a public purpose; and

WHEREAS, Alexander House Apartments (the “Development”) was originally constructed in 1992 at 8560 Second Avenue, near the Silver Spring Metro Station as a single sixteen-story building with 311 units, 203 parking spaces in a tri-level underground parking garage, management offices, maintenance and engineering rooms, as well as a common outdoor pool shared with Elizabeth House Apartments, the property adjacent to the north; and

WHEREAS, the Development is an important element of the redevelopment of Elizabeth Square; and

WHEREAS, the preliminary and project plan for Elizabeth Square, which was approved on July 23, 2015, includes amendments to the Development; and

WHEREAS, minor site plan amendment approval was achieved for the Development on June 9, 2015, incorporating it seamlessly into the overall plan for Elizabeth Square; and

WHEREAS, on November 2, 2015, HOC issued a request for proposal (“RFP”)#1975 for Architectural Services, Scope of Work and Design Documents for modernizing units of the Development (the “RFP”); and

WHEREAS, there were four respondents to the RFP, of which, Miner Feinstein Architects scored highest in the average of the evaluators’ scores on the criteria with an average score of 94.67%; and

WHEREAS, HOC wishes to approve the engagement by AHDC of Miner Feinstein Architects as the architect for the interior unit renovations for the Development; and

WHEREAS, the Commission wishes to fund $1,025,420 for predevelopment expenses at the Development with a loan to the Alexander House Development Corporation (the “Predevelopment Loan”) from the Opportunity Housing Reserve Fund (“OHRF”), to cover among other expenses, preliminary architectural services and the preparation of a LIHTC application for submission to the Maryland Department of Housing and Community Development (“DHCD”), which Predevelopment Loan will be repaid to the Commission at the time that AHDC closes on its construction financing; and

WHEREAS, the Commission will review and approve a Final Development Plan once the costs and budget are more fully understood and developed.
NOW, THEREFORE, BE IT RESOLVED by the Housing Opportunities Commission of Montgomery County that:

1. It hereby approves the selection by Alexander House Development Corporation of Miner Feinstein Architects as interior unit architect for the renovations of Alexander House Apartments and AHDC’s execution of a contract for up to $206,300 with Miner Feinstein Architects.

2. It presently intends and reasonably expects to finance certain predevelopment expenditures for Alexander House (the “Development”) with moneys currently contained in its OHRF.

3. It approves use of the OHRF to fund predevelopment expenditure of approximately $1,025,420 as a loan to AHDC to be repaid from permanent tax-exempt bond financing or other proceeds.

4. 5. It presently intends and reasonably expects to participate in tax-exempt borrowings of which a portion of the proceeds will be applied to reimburse the Commission for its expenditures in connection with the Development.

6. All prior acts and doings of the officials, agents and employees of the Commission which are in conformity with the purpose and intent of this Resolution, and in furtherance of the Development, shall be and the same hereby are in all respects ratified, approved and confirmed.

7. All other resolutions of the Commission, or parts of resolutions, inconsistent with this Resolution are hereby repealed to the extent of such inconsistency.

I HEREBY CERTIFY that the foregoing resolution was approved by the Housing Opportunities Commission of Montgomery County at an open meeting on February 3, 2016.

APPROVAL TO WAIVE THE PROCUREMENT PROCESS IN EXTENDING CONTRACT #14-1883B FOR TWO YEARS FOR ADVISORY SERVICES IN SUPPORT OF HOC’S PARTICIPATION IN THE RAD PROGRAM

February 3, 2016

- HOC issued RFP #1883 on May 10, 2013, to solicit proposals from qualified consultants capable of providing expertise in support of HOC’s potential disposition efforts via the Rental Assistance Demonstration (“RAD”) program.

- On October 2, 2013, the Commission approved the selection of the Morrison Avenue Capital Partners/Censeo team to provide advisory services in support of HOC’s participation in the RAD program.

- The terms of the contract included a $600 per converted unit fee payable at various milestones for the conversion of each property and a duration of two years beginning upon execution, which occurred on November 4, 2013. The contract did not provide any extensions.

- With nine of 11 properties converted and the other two properties having received CHAPs and determined plans for conversion, staff does not see any value in returning to the market for a new solicitation.

- The Commission has been reimbursed for 100% of fees paid thus far for the nine converted properties. In the same manner, the final two properties to be converted will reimburse the Commission for 100% of fees related to this engagement.

Staff recommends that the Commission approve:
1) a waiver of the procurement process which would normally require a new public solicitation; and
2) an extension of the existing contract of two years.

RE: Approval to Waive the Procurement Process in Extending Contract #14-1883B for Two years for Advisory Services in Support of HOC’s Participation in the RAD Program

DATE: February 3, 2016

STATUS: Committee Report Deliberation X

OVERALL GOAL & OBJECTIVE:
To complete the conversion via the Rental Assistance Demonstration ("RAD") program of HOC’s Public Housing portfolio.

BACKGROUND

HOC began its participation in the RAD program when, in August of 2015, staff submitted applications for each of its 11 multifamily Public Housing properties as well as an application for a portfolio award. Having already received approval from the United States Department of Housing and Urban Development ("HUD") for a Section 18 application to dispose of all 669 scattered site Public Housing units, HOC sought to exit Public Housing altogether via the RAD program.

On May 10, 2013, HOC issued Request For Proposals ("RFP") #1883 soliciting qualified consultants capable of providing expertise in support of HOC’s participation in the RAD program. Only two firms responded, and the Commission ultimately selected the team of Morrison Avenue Capital Partners and Censeo ("MACP & C"). MACP & C brought considerable experience in affordable housing finance, HUD demonstration programs, and statutory and regulatory compliance.

On November 4, 2013, the Commission entered into a two-year contract for advisory services related to the conversion of HOC’s 877 units of multifamily Public Housing via the RAD program. HOC received a Commitment to enter into a Housing Assistance Payment contract ("CHAP") for
each of its 11 properties – amounting to an approval to participate in the RAD program – and a portfolio award acknowledging that HOC’s plan to exist Public Housing completely was viable.

Up to the present, MACP & C has been instrumental in helping HOC to convert nine of 11 properties comprising 621 units. Of the eight properties that were retained (the ninth, Emory Grove, has been vacated for future redevelopment), conversion via RAD has brought more than $35MM in renovation capital to these communities. The remaining two properties will be vacated similarly to Emory Grove. Permanent relocation options for residents of those two properties have been secured.

RATIONALE FOR THE WAIVER

Staff requests an extension of the contract with MACP & C to continue to provide advisory services to HOC through the concluding two conversions. A major component of the original solicitation focused on assessing and developing the strategies for the conversion of each of the multifamily Public Housing properties. While two properties remain unconverted, the strategies for converting those properties are well understood. What remains is simply the execution of these plans.

A new solicitation would have to be for a dramatically reduced scope and would be based on the substantial work MACP & C has assisted HOC in producing over the term of the original contract. It would be difficult to assess replies as MACP & C would have such extensive knowledge of the project and properties. Additionally, it is not clear that other firms would view the solicitation as truly open given that knowledge.

MACP & C have not requested any change in the remunerative terms. So, should HOC conduct a new solicitation, it would risk higher pricing. Staff is very satisfied with the quality and level of work produced by MACP & C. The first of the two remaining properties is expected to convert by the summer of 2016, and the second of the two is expected to convert approximately 14 months from now.

This request for waiver of the HOC procurement process is to increase the time to complete a full conversion under RAD and does not increase the approved funding. The Commission approved funding $526,200 on October 2, 2013 to complete the conversion of the entire portfolio. To date MACP & C has been paid $403,320 with the remaining $122,880 due for each of the two remaining properties at achievement of the remaining two milestones: 1) submission of financing plan and 2) receipt of RAD Commitment to Convert.

ISSUES FOR CONSIDERATION:

Does the Commission wish to approve:

1. A waiver of procurement process in extending Contract #14-1883B, which has expired?
2. The extension of Contract #14-1883B for an additional two years at the same terms included in Contract #14-1883B?

PRINCIPALS:
Housing Opportunities Commission of Montgomery County
Morrison Avenue Capital Partners
Censeo, Inc.

BUDGET/FISCAL IMPACT:
There is no direct impact on the HOC Operating Budget. Fees will be paid out of approved HOC balance sheet sources in the interim and fully reimbursed at conversion by project sources of capital. Further, no new funding is required or requested.

TIME FRAME:
For action at the open meeting of the Commission on February 3, 2016.

STAFF RECOMMENDATION & COMMISSION ACTION NEEDED:
Staff recommends that the Commission approve:
1. A waiver of procurement process in extending Contract #14-1883B.
2. The extension of Contract #14-1883B for an additional two years at the same terms included in Contract #14-1883B.
RESOLUTION No. 16-12  

RE: Waiver of the Procurement Process in Extending Contract #14-1883B for Two Years for Advisory Services in Support of HOC’s Participation in the RAD Program

WHEREAS, the Housing Opportunities Commission of Montgomery County (“HOC” or the “Commission”) issued RFP #1883 on May 10, 2013, to solicit proposals from qualified consultants capable of providing expertise in support of HOC’s potential disposition efforts via the Rental Assistance Demonstration (“RAD”) program; and

WHEREAS, on October 2, 2013, the Commission approved the selection of the Morrison Avenue Capital Partners/Censeo team (“MACP & C”) to provide advisory services in support of HOC’s participation in the RAD program; and

WHEREAS, the terms of the contract included a per-converted unit fee payable at various milestones for the conversion of each property and a duration of two years beginning upon execution, which occurred on November 4, 2013; and

WHEREAS, HOC has converted nine of its 11 Public Housing properties via the RAD program and has two unconverted properties which have received CHAPs and for whom plans have been determined for conversion; and

WHEREAS, HOC is satisfied with the quality of the advisory services provided by MACP & C.

NOW, THEREFORE, BE IT RESOLVED by the Housing Opportunities Commission of Montgomery County that it waives its procurement process in extending contract #14-1883B for two years for advisory services with no other changes to the terms of the original contract.

BE IT FURTHER RESOLVED by the Housing Opportunities Commission of Montgomery County that the Executive Director, without further action on its part, is hereby authorized and directed to take any and all other actions necessary and proper to carry out the transaction contemplated herein including but not limited to the execution of any amendment to the original service contract.

I HEREBY CERTIFY that the foregoing resolution was approved by the Housing Opportunities Commission of Montgomery County in an open meeting conducted on February 3, 2016.

Executive Summary

- Alexander House Apartments (the “Development”) was constructed in 1992 and is located at 8560 Second Avenue, near the Silver Spring Metro Station. The property is a single sixteen story building with a three-level underground parking garage. The building contains 311 units, 203 parking spaces, management offices, and maintenance and engineering rooms. The property also shares a common outdoor pool with Elizabeth House Apartments, the property adjacent to the north.

- Alexander House is an important element of the redevelopment of Elizabeth Square. The preliminary and project plan for Elizabeth Square which was approved on July 23, 2015 also includes amendments to the property. Further, minor site plan amendment approval was achieved for the property on June 9, 2015, incorporating it seamlessly into the overall square.

- Upon refinancing of Alexander House, the equity proceeds may be contributed to the funding of the affordable housing component of Elizabeth House III.

- On November 2, 2015, HOC issued a request for proposal (“RFP”) #1975 for Architectural Services, Scope of Work and Design Documents for modernizing interior units.

- Based on the evaluation of the four responses, staff recommends the selection by Alexander House Development Corporation of Miner Feinstein Architects to complete architectural design and drawings for renovation of the interior of the units at Alexander House Apartments.

- On January 7, 2016, HOC issued a request for qualification (“RFQ”) #1980 for Contractor Evaluation and Selection Process. This is a two-part selection process. The first part, a Request for General Contractor Prequalification Submissions, will enable HOC to develop a list of prequalified General Contractors from which HOC will then solicit proposals for price and time of completion. The second part is a Contractor Evaluation and Selection process to evaluate the actual proposals submitted.

- To prepare for closing during 4th quarter of 2016, it is necessary to engage legal services to prepare contact documents, third party professionals, third party reports, architectural services to begin permit/construction drawings for the interior renovation plan, and prepare a Low Income Housing Tax Credit (“LIHTC”) application to the Maryland Department of Housing and Community Development (“DHCD”).

- Staff herein requests the acceptance by Alexander House Development Corporation of a predevelopment loan of $1,025,420 funded from the HOC’s Opportunity Housing Reserve Fund (“OHRF”) to prepare and submit a LIHTC application. The loan will be repaid from permanent financing proceeds at closing. The unobligated balance in the OHRF as of January 15, 2016 is $13.5 million.

Selection of Architect - Qualifications

HOC issued a request for proposals ("RFP") # 1975 for Architectural Services, Scope of Work and Design Documents for Modernizing interior units at Alexander House. The scoring team (consisting of staff from Mortgage Finance, Real Estate Development and Property Management) completed its review of the responses on December 10, 2015, based on the following criteria:

- **Experience** (45 points)
  - Key Factors: Demonstrated experience as interior unit architect on similar projects located in the Washington, DC metropolitan area, specifically with affordable housing, local building codes and experience with High rise building
  - Strong track record of completed projects over the past five years utilizing Low Income Housing Tax Credits in Maryland

- **Price** (25 points)

- **Qualifications** (20 points)
  - Key Factors: Principal and staff resumes, organization/team ability and availability to undertake and successfully complete the project: commitment to adhere to HOC’s Section 3 requirement; and willingness to employ and train minority, female, and disabled persons
  - Ability of the organization/team to undertake and complete successfully projects of comparable size and scope

- **Schedule** (10 points)
  - Anticipated schedule in detail for production of each phase of architectural documents
Selection of Architect – Scoring Summary

There were four respondents to the Alexander House RFP. Of the four qualified responses, Miner Feinstein Architects scored highest in the average of the evaluators’ scores on the criteria. The firm’s total score was 94.7%. Included in its experience is a proven history of successful work with HOC on the rehabilitation of Arcola Towers, Timberlawn Crescent, and Pomander Court. All firms have prior experience with HOC’s projects. The difference in price when compared to the next highest bidder is negligible; therefore, staff proposes the selection of Miner Feinstein Architects.
