ESTABLISHING PREFERENCES AND MAINTAINING THE WAIT LIST

[24 CFR Part 5, Subpart D; 982.54(d)(1); 982.204, 982.205, 982.206]

INTRODUCTION

It is HOC’s objective to ensure that families are placed in the proper order on the wait list and selected from the wait list for admission in accordance with the policies in this Administrative Plan.

This chapter explains how HOC will administer its consolidated wait list for all of its housing programs, including the tenant-based and project-based voucher wait lists, hereinafter referred to as the consolidated list or master list. The tenant-based wait list has five local preferences that HOC adopted to meet local housing needs, define the eligibility criteria for the preferences, and explain HOC’s system of applying them. The wait list for housing subsidized with project-based vouchers is maintained as a sub list within the consolidated list. Any family selected to be housed utilizing a project-based voucher is only eligible for a specific bedroom sized unit based on their family size.

By maintaining an accurate wait list, HOC is able to perform the activities which ensure that an adequate pool of qualified applicants is available, so that program funds are used in a timely manner. Each family on the tenant-based wait list may also have its name on the project-based wait list.

A. MANAGING THE WAIT LIST

Opening and Maintaining the Wait List

Opening of the wait list will be announced with a public notice stating that applications for public housing, Housing Choice Voucher and all other wait lists maintained by the Housing Opportunities Commission of Montgomery County (HOC) will again be accepted. The public notice will state where, when, and how to apply. The notice will be published in a local newspaper of general circulation and also by any available minority media, including social media. The public notice will state any limitations on who may apply. Wait lists for all sub-jurisdictions and Countywide will be opened and closed at the same time.

The notice will state that applicants already on wait lists for other housing programs must apply separately for this program and such applicants will not lose their place on other wait lists when they apply for public housing. The notice will include the Fair Housing logo and slogan, and will be in compliance with Fair Housing requirements.

HOC intends for the wait list to remain open indefinitely; however, if the Executive Director decides to close the list, the closing of the wait list will also be announced with a public notice. This public notice will state the date the wait list will be closed, and it will be published in a local newspaper of general circulation and by any available minority media, including social media.
Organization of the Wait List

In July 2015, HOC merged its existing sub-jurisdictional wait lists for the Housing Choice Voucher program and all other housing programs into one combined wait list, referred to herein interchangeably as merged list, master list, merged master list, or wait list, except as specifically noted.

In conjunction with the merge of all of HOC’s wait lists, HOC opened its merged master wait list for all programs, and left the merged list open indefinitely or until such time as a determination is made by the Executive Director that there is cause to close the wait list, at which time proper notice will be posted in a local newspaper of general circulation and by any available minority media, including social media.

Only one application may be submitted and it must be submitted by the head of household or his/her designee.

The wait list is maintained in accordance with the following guidelines:

1. The application will be a permanent file. Any contact between HOC and the applicant will be documented in the electronic applicant file.

2. All applications will be maintained in order of date and time of application, and applicable preference(s).

3. Under the merged wait list, one master list is maintained electronically through a proprietary program. All applications and updates to an application are submitted electronically through a proprietary on-line web portal. Paper and telephone submissions are not permitted. To the extent an applicant requires assistance, upon request, staff from HOC is available to assist with electronic submissions.

4. All applicants must give notice of any changes to their application within two weeks of a change. Changes include: change of mailing address, change of email address, change of phone number, change in family composition, change in income, or changes in factors affecting preference points. As noted in paragraph 3, all changes must be done electronically because paper and telephone submissions are not accepted. To the extent an applicant requires assistance, upon request, staff from HOC is available to assist with electronic update submissions.

5. The master wait list is updated daily and applicants’ wait list profiles are accessible via the internet on a 24-hour basis.

6. For the Housing Choice Voucher program, HOC maintains one merged master list in order of date-time stamp and any applicable preference(s). However, within the master list there are sub-sorted separate lists for certain programs and properties. This includes the Choice Mobility wait list for those customers eligible for
project-based to tenant-based subsidy conversion. See Chapter 22 of this Administrative Plan for more information.

7. HOC entered into Housing Assistance Payments (HAP) contracts to subsidize units at several properties that are operated by third-party managers and/or owners. The individual, property-specific wait lists for these properties are included within the master list but are sorted separately to only reflect applicants who satisfy the various property and programmatic eligibility criteria. More specifically, the details regarding these property-specific wait lists are as follows:

i. HOC maintains separate wait lists for Arcola Towers, Elizabeth House, Holly Hall, and Waverly House, which are housing facilities operated for the benefit of senior and/or disabled customers.

ii. HOC entered into a HAP contract to subsidize units at Emory Grove, Ken-Gar, Parkway Woods, Sandy Spring Meadow, Seneca Ridge, Town Centre Place, and Washington Square as required as part of the Rental Assistance Demonstration (RAD) program, and required Housing Choice Vouchers. The individual wait lists created for these RAD properties are included in the merged master list but are sorted separately to reflect only those applicants who are eligible for these properties.

iii. HOC entered into HAP contracts to subsidize units at several properties that are managed by third-party managers and/or owners. These properties provide supportive services to at-risk populations in the form of Housing Choice Vouchers. Applicants for these programs must meet stringent requirements and are ranked by date and time of application only. The individual wait lists created for these properties are included in the merged master list but are sorted separately to reflect only those applicants who are eligible for these properties.

8. Contact between HOC and wait list applicants for the purposes of selection from the list is documented in the applicant’s wait list file.

Former public housing (PH) applicants and residents receive priority consideration on the site-based wait lists created within HOC Housing Path, HOC’s electronic wait list. Prior to the opening of the HOC Housing Path wait list, HOC mailed to all former PH wait list applicants a post card notifying them of the new wait list and instructed them to submit an application. The following policies describe how former PH applicants and residents receive priority consideration for housing at all of HOC’s RAD-converted properties and at properties with Project-Based Voucher (PBV) assistance provided using the non-competitive selection process created by the Housing Opportunities Through Modernization Act (HOTMA), and described in Chapter 22, Section G of this Administrative Plan.
In order to provide former PH applicants with the best opportunity to be housed at one of the RAD properties, HOC adopted and follows the procedures listed below:

- Analyze HOC Housing Path to identify former PH wait list applicants and residents that have submitted a new application.
- Issue notices to former PH wait list applicants and residents informing them that they are eligible to receive priority consideration for housing at RAD properties, and instruct them to respond to the notice if they would like to be considered.
- Former PH applicants and residents who respond, but have not submitted a new HOC Housing Path application will be instructed to do so.
- For those families who respond to the notice and/or have submitted a new HOC Housing Path application, HOC will create a separate pool of applications that will receive priority consideration for vacancies at HOC’s RAD properties.
- As vacancies become available at RAD properties, applicants will be selected from the priority pool based on their date and time of application to Housing Path.

B. WAIT LIST CUSTOMERS (FAMILIES)

All wait list applicants are required to maintain an e-mail address. To the extent an applicant chooses to use the e-mail address of another person, the applicant is solely responsible for receiving information sent to the listed email address and lack of access to that account is not considered a valid excuse for missing notices. To the extent a family does not have an e-mail address, HOC can assist the family in obtaining a free email account. The applicant is responsible for notifying HOC of any change in their e-mail address. HOC maintains public use computers at all of its HUB locations. Public use computers are also widely available at other public locations such as local libraries. To the extent an applicant requires assistance, upon request, staff from HOC is available to assist with electronic submissions.

All wait list applicants are required to list an address in their Housing Path application. If the applicant is homeless or does not have a permanent address, the applicant can choose to list the address of another person, so long as it is not the address of a current voucher holder. This address is used to send any paper correspondence to the applicant, including required paperwork as part of the selection process. The applicant is solely responsible for receiving information sent to the listed address and lack of access to mail at that address is not considered a valid excuse for missing notices or paperwork. The applicant is responsible for notifying HOC of any change in address.

**Treatment of Single Applicants**

Single applicants are treated as any other eligible family on the wait list for the tenant-based and project-based voucher wait lists.

C. WAIT LIST [24 CFR 982.204]

**Tenant-Based Voucher**

HOC uses a consolidated wait list for the admission of all of its housing programs.
consolidated list includes a sub list for admissions to the tenant-based voucher assistance program.

Except for Special Admissions, applicants are selected from the consolidated wait list in accordance with the policies, preferences, and income targeting requirements defined in this Administrative Plan.

HOC will maintain information that permits proper selection from the wait list.

The wait list contains the following information for each applicant listed:

- Applicant Name
- Family Unit Size (number of bedrooms family qualifies for under HOC’s subsidy standards)
- Date of application
- Qualification for any local preference(s)
- Racial or ethnic designation of the head of household
- Targeted program qualifications

**Project-Based Voucher**

HOC maintains separate sub lists for admissions to the project-based voucher (PBV) assistance program. Any applicant that submits an application to the master wait list is also considered for inclusion on the PBV wait list.

Except for Special Admissions, applicants are selected from HOC’s wait list in accordance with the policies, preferences, and income targeting requirements defined in this Administrative Plan.

Families are selected from the PBV wait list based on the bedroom size of the unit available at the time of selection.

HOC must maintain information that permits proper selection from the wait list.

The wait list contains the following information for each PBV applicant listed:

- Applicant Name
- Family Unit Size (number of bedrooms family qualifies for under HOC’s subsidy standards)
- Date of application
- Qualification for any local preference(s)
. Racial or ethnic designation of the head of household

. Targeted program qualifications

D. SPECIAL ADMISSIONS [24 CFR 982.54(d)(e), 982.203]

If HUD awards HOC program funding that is targeted for specifically named families, HOC must admit these families under a Special Admission procedure.

Special admissions families are admitted outside of the regular wait list process. They may not have to qualify for any preferences, nor are they required to be on the program wait list. HOC administers two Special Programs and maintains separate records of these admissions.

The Family Unification Program (FUP):

The Family Unification Program (FUP) qualifies for special admissions as long as the individuals referred to HOC meet the program definition.

Family Unification Program-Eligible Family (A family that the Public Child Welfare Agency (PCWA) has certified as a family for whom a lack of adequate housing is a primary factor in the imminent placement of the family’s child, or children, in out-of-home care, or in the delay of discharge of a child, or children, to the family from out-of-home care, and that the HOC has determined is eligible for a Housing Choice Voucher.)

Family Unification Program-Eligible Youth (A youth that the Public Child Welfare Agency (PCWA) has certified to be at least 18 years old and not more than 24 years old (has not reached his/her 25th birthday) who left foster care at age 16 or older and who does not have adequate housing, and that HOC has determined is eligible for a Housing Choice Voucher.) HOC may accept referrals from child welfare agencies for youth who will leave foster care within 120 days. HOC may execute a contract on behalf of any otherwise eligible FUP youth not more than 25 years of age (not reached their 26th birthday). This temporary provision expires December 30, 2021 in accordance with the waiver flexibility authorized in PIH Notice 2021-14.

Emergency Housing Vouchers (EHV):

HOC administers 118 Emergency Housing Vouchers (EHVs). Eligible EHV applicants are referred to HOC from the Continuum of Care (CoC) via the Department of Health and Human Services (HHS). HOC can accept direct referrals outside of HHS to facilitate an emergency transfer in accordance with the Violence Against Women Act (VAWA) as outlined in HOC’s Emergency Transfer Plan, or if HHS lacks a sufficient number of eligible families to refer. HOC must enter into Memorandum of Understanding (MOU) with a Victims Service Provider (VSP) to accept EHV referrals apart from HHS.

HOC must maintain a separate waitlist for EHV referrals at initial leasing and for any turnover vouchers. HOC cannot issue an EHV subsequent to September 30, 2023. Provided that the re-issuance
date is prior to September 30, 2023 the term of the EHV may extend beyond September 30, 2023.

**EHV Eligibility Criteria:**

Eligible applicants must meet one of the four eligibility categories:

- Homeless,
- At risk of homelessness,
- Fleeing or attempting to flee domestic violence, dating violence, sexual assault, stalking or human trafficking, or
- Recently homeless and for whom providing rental assistance will prevent the family’s homelessness or having high risk of housing instability.

EHV customers are not required to meet the local residency preference to live or work in Montgomery County. Additionally, income targeting requirements are not applicable for EHV families. EHV households can range from extremely low incomes (30% AMI) to low incomes (80% AMI).

HOC cannot deny program admission for the following reasons, pursuant to Title 24 part 982.552 and 982.553 of the Code of Federal Regulations (CFR):

- If any member of the family has been evicted or terminated from federally assisted housing
- The family owes rent or other amounts owed to a Public Housing Authority ("PHA") in connection with Section 8 or Public Housing assistance
- The family has not reimbursed any PHA for amounts paid to an owner under a Housing Assistance Payment ("HAP") Contract for rent, damages to the unit or other amounts owed by the family under the lease
- The family breached an agreement with the PHA to pay amounts owed to a PHA, or amounts paid to an owner by a PHA
- The family would otherwise be prohibited admission under alcohol abuse standards established by the PHA
- The PHA determines that any household member is currently engaged in or has engaged in drug-related criminal activity, during a reasonable time before the admission

HOC will deny program admission for the following reasons pursuant to Title 24 part 982.553 of the CFR:

- If any member of the household has been convicted of drug-related criminal activity for the manufacture or production of methamphetamine on the premises of federally assisted housing
• If any member of the household is subject to a lifetime registration requirement under a State sex offender registration program
• If any household member is currently engaged in, has engaged in violent criminal activity within the last 12 months
• If any household member has committed fraud, bribery, or any other corrupt or criminal act in connection with any Federal housing program within the previous 12 months
• If any household member engaged in or threatened abusive or violent behavior toward HOC personnel within the previous 12 months

**Voucher Issuance/Lease Term**

HOC will issue the EHV voucher for a term of 120 days. The initial lease term for EHV households can be for a period less than 12 months, regardless of whether the shorter term is the prevailing market practice.

**Services**

HOC will assist EHV households by providing the following services based on documented need based and funding availability:

• **Housing Location** - EHV applicants will receive housing location assistance from HOC and/or the CoC. This includes helping the family identify and visit available units, providing transportation assistance and directions, assisting with the completion of rental applications and HOC forms and helping to find an accessible unit that meets the needs of a disabled household.

• **Transportation Assistance** – HOC will provide transportation assistance to EHV households to help them view and select housing units. HOC will provide up to $150 in transportation assistance per EHV household based on documented need and funding availability.

• **Security Deposit** - HOC will provide security deposit assistance to EHV households to help them secure housing. HOC will provide up to $2,500 in security deposit assistance per EHV household based on documented need and funding availability. If refundable, the security deposit will be refunded to HOC for future use of eligible EHV households.

• **Application Fee/Holding Fee** - HOC will provide application and/or holding fee assistance to EHV households to help them secure housing. HOC will provide up to $200 in application and/or holding fee assistance per EHV household based on documented need and funding availability.

• **Moving Expenses** - HOC will provide moving assistance to EHV households. HOC will provide up to $1,800 moving expenses per EHV household based on documented need and funding availability.

• **Essential Household Items** - HOC will provide EHV households with assistance to secure essential household items. HOC will provide up to $200 in assistance for
essential household items per EHV household based on documented need and funding availability.

- Renters Insurance - HOC will provide EHV households with assistance to secure renter’s insurance. HOC will provide up to $175 in assistance for renter’s insurance per EHV household based on documented need and funding availability.
- Furniture - HOC will provide EHV households with assistance to secure furniture. HOC will provide up to $1,000 in assistance for furniture per EHV household based on documented need and funding availability.

**Portability**

EHV applicants can immediately port to another jurisdiction of their choice. The requirement to have a legal domicile in Montgomery County at the time of the application submission is waived. HOC cannot restrict an EHV family from exercising portability options because they are a non-resident applicant.

If the EHV family moves to another jurisdiction that does not administer an EHV Program, the receiving PHA may absorb the family into its regular HCV program or bill the initial PHA.

If the EHV family moves to another jurisdiction that administers an EHV program, the receiving PHA may only absorb the EHV family with an available EHV allocated voucher. If the PHA does not have an EHV available to absorb the family, it must bill the initial PHA.

The EHV administration of the voucher is in accordance with the receiving PHA’s EHV policies.

**Initial Certification Exam**

HOC can accept income calculations and verifications from third party providers or an examination that HOC conducted on behalf of the family for another subsidized housing program in lieu of conducting an initial examination of income as long as the income was calculated in accordance with the rules outlined at Title 24 CFR Part 5 within the last six months, and the family certifies there has been no change in income or the family composition in the interim. At the time of the family’s annual reexamination, HOC must conduct the annual reexamination of income as outlined in 24 CFR 982.516.

EHV applicants may provide third-party documentation which represents the applicant’s income within the 60 day period prior to admission or voucher issuance but is not dated within 60 days of HOC’s request.

**HQS Inspections**

HOC can pre-inspect available units that EHV Families may be interested in leasing. If an EHV family selects a unit that passed a HQS inspection within 45 days of the date of the Request for Tenancy Approval (RFTA) Form, the unit may be approved as long as it meets all other conditions under Title 24 part 982.305 of the CFR.
Interim Examinations

When adding a family member after the EHV family has been placed under a Housing Assistance Payment (HAP) Contract, the regulations at 24 CFR 982.551(h)(2) apply. Other than the birth, adoption or court-awarded custody of a child, the HOC must approve additional family members and may apply its regular screening criteria in doing so.

EHV applicants may provide third-party documentation which represents the applicant’s income within the 60 day period prior to admission or voucher issuance but is not dated within 60 days of HOC’s request.

The following are examples of types of program funding that may be designated by HUD for families living in a specified unit.

1. A family displaced because of demolition or disposition of a public or Indian housing project;
2. A family residing in a multifamily rental housing project when HUD sells, forecloses or demolishes the project;
3. For housing covered by the Low Income Housing Preservation and Resident Homeownership Act of 1990;
4. A family residing in a project covered by a project-based Section 8 HAP contract at or near the end of the HAP contract term; and
5. A non-purchasing family residing in a HOPE 1 or HOPE 2 project.

Applicants who are admitted under Special Admissions, rather than from the wait list, are identified in HOC’s database with special codes.

At turnover:

If a voucher issued to an FUP-eligible family or FUP-eligible youth under the FUP program is terminated, the voucher is reissued to the extent practicable, to another FUP-eligible family or FUP-eligible youth. If the award on turnover is not practicable, FUP vouchers may be used by HOC for such families based upon local needs.

If a customer served through Special Admissions in the FUP program is on an HOC Program Admissions Wait List (Tenant Based Voucher or Project Based Voucher), the client remains eligible on the wait list for the period of time the list is active. If a client is selected from the Program Wait List and utilizes the voucher, the FUP voucher is reissued, to the extent practicable, to another FUP-eligible family or FUP-eligible youth.

E. **WAIT LIST PREFERENCES** [24 CFR 982.207]

When a family is selected from the wait list, the family is invited to an interview and the verification
process begins. It is at this point in time that the family's wait list preference(s) are verified. To qualify for a preference, an applicant must provide verification that shows he or she qualified either at the time of the initial application or at the time of selection from the wait list. However, placement based upon preference is dependent on the family still qualifying for the preference at the time of selection.

If the family no longer qualifies to be near the top of the list, because the family does not qualify for a preference, then the family’s preference status is removed. Importantly, however, the family will remain on the wait list based upon their original date and time of application. HOC must notify the family in writing of this determination and give the family the opportunity for an informal hearing to appeal the decision.

Once a preference is verified, the family completes a full application, presents Social Security number information, citizenship/eligible immigrant information, and signs the Consent for Release of Information forms.

An applicant is not granted any local preference for the tenant-based and project-based voucher wait lists if any member of the family was evicted from housing assisted under a HUD 1937 Housing Act program during the past three years because of drug-related criminal activity or felonious charged criminal activity.

HOC will grant an exception to such a family if:

- The responsible member has successfully completed a rehabilitation program;
- The evicted person clearly did not participate in or know about the drug-related activity; and/or
- The evicted person no longer participates in any drug related criminal activity.

If an applicant makes a false statement in order to qualify for a local preference, HOC will deny the local preference.

F. **LOCAL PREFERENCES** [24 CFR 5.410]

HOC offers public notice when changing its preference system and the notices are publicized using the same guidelines as those for opening and closing the wait list.

HOC uses the following local preference system:

**First Local Preference** – Displacement: Families who are displaced as a result of a State or County redevelopment project, or a change in the nature of a project that is part of the County plan for maintaining affordable housing, and who are referred by the County Executive’s Office. A signed certification from the County Executive’s office is required for the family to qualify for this preference. [Two Points]

**Second Local Preference** – Residency preference for families who live, work, or have a bona fide offer to work in Montgomery County. To qualify for this preference, evidence is
required either at the time of application or at the time of selection from the wait list. HOC will treat graduates of, or active participants in, education or training programs in Montgomery County as residents of Montgomery County if the education or training program is designed to prepare individuals for the job market. To qualify and satisfy this preference, graduates must have graduated after the initial application for housing. [One Point]

**Third Local Preference** – HUD funded 2006 Main Stream Disabled (MSD) program; 15 units. [Two Points]

**Fourth Local Preference** – Veterans: Preference is given for ten (10) veterans and their families. The applicant must be at least 18 years old and a veteran.

HOC verifies the preference with a list of homeless veterans and their families provided by the Montgomery County Department of Health and Human Services (DHHS). [Three Points]

**Fifth Local Preference** – Families with Histories of Homelessness: Preference is given for ten (10) families with histories of homelessness who are currently housed within the Montgomery County Homeless Continuum of Care. The applicant must be at least 18 years old and have at least one minor child (under the age of 18) within the household.

HOC verifies the preference by receiving direct referrals from the Montgomery County Department of Health and Human Services (DHHS). [Three Points]

**Sixth Local Preference** – HUD funded 2017/2018 Mainstream Disabled (MSD) Grant program: Preference is given for Non-Elderly Disabled (NED) families who meet at least one of the following criteria:

1. Transitioning out of institutional or other segregated settings;
2. At serious risk of institutionalization;
3. Homeless; or
4. At risk of becoming homeless.

NED is defined as disabled persons aged 18-62 and can include any member of a household. Eligibility for this preference is initially indicated based on responses to questions on HOC’s wait list, which are designed to capture these criteria. Once a NED family is called up for a subsidy based on this preference, HOC staff conducts comprehensive verification of the preference qualifications, as explained in Section M of this Chapter. [Three Points]

**Treatment of Single Applicants**

Single applicants are treated as any other eligible family on the wait list for the tenant-based and project-based voucher wait lists.

**G. INCOME TARGETTING**

Housing Opportunities Commission of Montgomery County
In accordance with the Quality Housing and Work Responsibility Act of 1998, each fiscal year HOC reserves a minimum of seventy-five (75) percent of its Section 8 new admissions for families whose incomes do not exceed thirty (30) percent of the area median income (AMI). HUD refers to these families as “extremely low-income families.” HOC must admit families who qualify under the Extremely Low-Income limit to meet the income targeting requirement, regardless of preference. This policy applies to the tenant-based and project-based voucher wait lists.

HOC’s income targeting requirement does not apply to low-income families continuously assisted, as provided for under the 1937 Housing Act.

HOC is also exempted from this requirement when HOC provides assistance to low income or moderate-income families entitled to preservation assistance under the tenant-based voucher program as a result of a mortgage prepayment or opt-out.

H. INITIAL DETERMINATION OF LOCAL PREFERENCE QUALIFICATION

At the time of application, an applicant's entitlement to a local preference may be made on the following basis:

An applicant's certification that they qualify for a preference is accepted without verification at the pre-application. When the family is selected from the wait list for the final determination of eligibility, the preference is verified. To qualify for the preference, an applicant must provide verification that shows he or she qualified either at the time of the pre-application or at the time of certification.

If the preference verification indicates that an applicant does not qualify for the preference, the applicant is returned to the wait list (tenant-based or project-based) without the local preference, and given an opportunity for an office meeting.

I. TARGETED FUNDING [24 CFR 982.203]

When HUD awards special funding for certain family types, families who qualify are placed on the regular wait list. When a specific type of funding becomes available, the tenant-based and project-based voucher wait lists are searched for the first available family meeting the targeted funding criteria. HOC reserves the right to use this assistance under the “Interim Use” policy. [See Glossary under “Interim Use” for definition].

Applicants who are admitted under targeted funding which are not identified as a Special Admission are identified by codes in the automated system. HOC has the following "Targeted" Programs:

- Veterans Affairs Supportive Housing (VASH)
- Mainstream Allocation Plan for Persons with Disabilities
- Voucher allocation for Non-Elderly Persons with Disabilities in Support of Designated Housing Plans
For any voucher allocation for Non-Elderly Persons with Disabilities (NED) in Support of Designated Housing Plans, HOC identifies a non-elderly disabled family, as defined by HUD, on HOC’s wait list that will not be housed due to an approved or submitted Designated Housing Plan.

At turnover:
Re-issuance upon turnover of vouchers in the Non-Elderly Persons with Disabilities in Support of Designated Housing Plans 2008 allocation will be to Non-Elderly Persons with Disabilities on the wait list.

5.410] **Change in Circumstances**

Changes in an applicant's circumstances while on the wait list may affect the family's entitlement to a preference. Applicants are required to update their on-line application when their circumstances of change.

**Cross-Listing of Different Housing Programs and Section 8** [24 CFR 982.205(a)]

HOC maintains a consolidated master wait list for all of its housing programs. An applicant is considered for admission to any program for which they are eligible until such time that documentation is presented which establishes a customer as ineligible for a given housing program(s). If a customer is determined ineligible for the voucher program, their application is maintained on the consolidated wait list so that they may continue to be considered for other housing opportunities.

**Other Housing Assistance** [24 CFR 982.205(b)]

Other housing assistance means a federal, State, or local housing subsidy, as determined by HUD, including public housing.

HOC may not take any of the following actions because an applicant has applied for, received, or refused other housing: [24 CFR 982.205(b)]

1. Refuse to list the applicant on the wait list for tenant-based voucher assistance;
2. Deny any admission preference for which the applicant is currently qualified;
3. Change the applicant’s place on the wait list based on a preference, date of application, or other factors affecting selection under HOC’s selection policy; or
4. Remove the applicant from the wait list.

However, HOC may remove the applicant from the wait list for tenant-based assistance if HOC has offered the applicant assistance under the Project-Based Voucher program.
K. **ORDER OF SELECTION** [24 CFR 982.207(e)]

HOC’s method for selecting applicants from a preference category leaves a clear audit trail which can be used to verify that each applicant was selected in accordance with the method specified in the Administrative Plan. **Tenant-Based Voucher Wait List**

**Local Preferences**

HOC provides the following system to apply local preferences:

Each preference receives an allocation of points. The more preference points an applicant receives, the higher the applicant’s position on the wait list.

**Among Applicants with Equal Preference Status**

Among applicants with equal preference status, the tenant-based voucher wait list was organized by the lottery selection process for the first 365 days after the wait list was opened in the summer of 2015. Thereafter, applicants with equal preference status on the tenant-based voucher wait list are organized by date and time stamp.

**Project-Based List**

HOC provides the following system to apply local preferences:

Each preference receives an allocation of points. The more preference points an applicant receives, the higher the applicant’s position on the wait list.

The PBV sub list is organized by family size and the corresponding bedroom size as follows:

. One and two person families are eligible for a one-bedroom unit.

. Three and four person families are eligible for a two-bedroom unit.

. Five and six person families are eligible for a three-bedroom unit.

. Seven and eight person families are eligible for a four-bedroom unit.

Exceptions to this policy are made in accordance with HOC’s policies of reasonable accommodation for persons with disabilities.

The number of persons per bedroom is subject to compliance with the Montgomery County Code, Chapter 26-5, Space, Use, and Location. Paragraph (b) of Chapter 26-5 is shown below:

b) **Floor area, sleeping.** In every dwelling unit of two or more rooms, every room occupied for sleeping purposes by one occupant must contain at least 70 square feet of habitable space, and every room occupied for sleeping purposes by more than one occupant must contain at least 50 square feet of habitable space for each occupant. However, in a mobile home every room occupied for sleeping purposes by one occupant must contain at least 50 square feet
of habitable space; by 2 occupants, at least 70 square feet of habitable space; and by more than 2 occupants, at least an additional 50 square feet of habitable space for each additional occupant.

Among Applicants with equal preference status, the PBV wait list is organized by the regular date-time selection process for each bedroom size.

L.1 PROJECT-BASED VOUCHER REFERRALS

Applicants referred to HOC for housing subsidy through PBVs by way of Offender Reentry programs sponsored by the Silver Spring Interfaith Housing Coalition and Threshold Services, Inc. are granted an eligibility criminal background exception. The participant does not have rights to the HOC Grievance Procedures.

The eligibility exception is not extended to the following individuals:

1. Persons convicted of manufacturing or producing methamphetamine;

2. Any person evicted from federally assisted housing for a serious violation of the lease (and for three years following the eviction);

3. Any person who fails to sign and submit consent forms to obtain information in accordance with the Administrative Plan Part 5, subparts B and F;

4. Any person required under HUD regulation to establish citizenship or eligible immigration status;

5. Any person subject to a life time registration requirement under a state sex offender registration program; and

6. Any persons convicted for violent felonies.

L.2 PROJECT-BASED VOUCHER REFERRALS

In an effort to minimize displacement of families, if a unit that is to be included in the PBV contract is occupied by an eligible family, the in-place family must be placed on the program wait list. When eligibility is determined, the family must be given an absolute selection preference and referred to the project owner for an appropriately size PBV contract.

A preference will be extended through the PBV program (only) for services offered. In selecting families, HOC may give a preference to disabled families who need services offered at a particular project. This preference (more specifically a referral) is limited to the population of families with disabilities that significantly interfere with their ability to obtain and maintain themselves in housing who, without appropriate supportive services, are not able to maintain themselves in housing.

Selection of applicants in the targeted funding Family Unification Program (FUP) 2008 allocation
are completed in conjunction with referrals from the Montgomery County Department of Health and Human Services (MCHHS). HOC will accept families certified by the MCHHS as eligible applicants for FUP. HOC will compare the names provided with the names on the current HOC wait list. Any referred family on the HOC wait list is served first. Those families referred and not on the HOC wait list will be added to the wait list and served based on date of referral or on a first come first served basis.

M. **FINAL VERIFICATION OF PREFERENCES** [24 CFR 5.415]

Preference information on pre-applications is updated as applicants are selected from the wait list. At that time, HOC will obtain necessary verifications of preference(s) at the interview and by third party verification.

**Subsection A – Secondary Review/Credit Checks**

Before issuing vouchers to applicant families, HOC requests a credit report of all new applicant families, all adults (persons 18 years of age and older) who will reside in the assisted household. The credit report is reviewed by HOC. Applicant households claiming they have zero income automatically undergo a credit check review. The information contained in the credit check is used to confirm the information provided to HOC by the family. Specially, the credit report is used to confirm:

1. **Employment:** A credit report will list any employers the applicant has listed in any recent credit applications. If the credit report reveals employment for any adult household member within the last 12 months that was not disclosed, the family will be asked to provide additional documentation to resolve the discrepancy. Failure to disclose current employment may result in denial of participation in the Housing Choice Voucher and Section 8 programs.

2. **Aliases:** A credit report can provide information on other names that have been used for the purposes of obtaining credit. Common reasons for use of other names include a recent marriage or a divorce. If an alias has not been disclosed to HOC, the family will be asked to provide additional evidence of the legal identity of all adult family members.

3. **Current and previous addresses:** A credit report can provide a history of where the family has lived. This is particularly important because HOC provides a residency preference. If the family has provided one address to HOC and the credit report indicates a different address, the family will be asked to provide additional proof of residency. This may include a history of utility bills, bank statements, school enrollment records for children, credit card statements, and/or other relevant documentation. Failure to provide adequate proof could result in denial of the residency preference.

**Credit card and loan payments:** A credit report will usually include a list of the family’s financial obligations. Examples of the items that may show up include car loans, mortgage loans, student loans, and credit cards payments. HOC will review
this information to confirm the income and asset information provided by the family. If the family’s current financial obligations (total amount of current monthly payments) exceed the amount of income reported by the family, HOC will ask the family to disclose how they are currently meeting their financial obligations. Accounts that have been charged off or are significantly delinquent are not included in this calculation. Failure to provide adequate proof of income could result in denial of participation in the Housing Choice Voucher and Section 8 programs.

5. **Multiple Social Security Numbers:** A credit report may list multiple Social Security numbers if an adult family member has used different Social Security numbers to obtain credit. If the credit report information does not match the information provided by an adult family member, the family member or head of household will be required to obtain written confirmation of the Social Security number that was issued to him/her from the Social Security Administration.

Applicant families are not issued vouchers until all discrepancies between the information provided by the applicant family and the information contained in the credit report have been cleared by the applicant family and approved by HOC.

When discrepancies are found, the family will be contacted by HOC. In most cases, the family will be allowed a maximum of ten (10) business days to provide the additional information. On a case-by-case basis, as a reasonable accommodation, the family may be granted additional time. If additional time is granted, the family receives written notification of the new deadline. No second or additional extensions will be granted. Failure to provide the required information to HOC could result in denial of participation in the Housing Choice Voucher and Section 8 Programs.

When the credit report reveals multiple discrepancies which require interview appointments, HOC will schedule up to two interview appointments. An additional appointment may be scheduled as a reasonable accommodation. Failure to appear at the interview session could result in denial of participation in the Housing Choice Voucher and Section 8 Programs.

**N. PREFERENCE DENIAL** [24 CFR 5.415]

If HOC denies a preference, HOC notifies the applicant in writing of the reasons why the preference was denied and offer the applicant an opportunity for an informal review to appeal the decision. If the preference denial is upheld as a result of the review, or the applicant does not request a review, the preference is removed from the applicant’s entry on the wait list, returning the applicant to their regular date-time positioning. Applicants may exercise other rights if they believe they are a victim of discrimination.

If the applicant falsifies documents or makes false statements in order to qualify for any preference, they will be removed from the wait list.

**O. REMOVAL FROM THE WAIT LIST AND PURGING** [24 CFR 982.204(c)]

HOC will not remove an applicant’s name from the wait list unless:
2. The applicant fails to respond to an electronic or written request for information or

1. The applicant requests in writing that their name be removed; a request to declare their continued interest in the program; or

3. The applicant does not meet either the eligibility or suitability criteria for the program.

4. The applicant refuses two housing units without good cause.

Obligation to Annually Confirm Application Information

Each year, or at such time as HOC determines reasonable, HOC will issue notice to all applicants on the wait list requesting that each applicant confirm their continued interest in remaining on the wait list. Failure to renew the information in a timely manner will result in removal from the wait list.

HOC will provide notice to wait list applicants to confirm their continued interest and set a date by which their renewal must be completed. HOC will send notices thirty days, fifteen days, five days, and one day prior to the date when that renewal or confirmation is due.

All notices under this Section are sent by HOC electronically to the last known e-mail address listed on the application. Wait list applicants may also request text message notifications. If a family does not have an e-mail address, HOC can assist the family in obtaining a free email account. It will be the applicant’s sole responsibility to check that email account from time to time and to respond to any email and/or SMS text from HOC. To the extent an applicant requires assistance, upon request, staff from HOC is available to assist with electronic submissions.

Should an applicant not respond to the request to confirm their continued interest in remaining on the wait list by renewing their application or to their notification of selection for a program for any reason, prior to the established deadline, the applicant is removed from the wait list. Reasons for non-response, resulting in removal from the list, include (but are not limited to) negligence in completing the electronic update/application in a timely manner and relocation resulting in a return of the e-notice to HOC with no forwarding email address provided. Applicants removed from the wait list will receive a notification identifying their removal from Housing Path.

Missed Appointments

All applicants who fail to keep a scheduled appointment with HOC are sent a written notice of termination of the process for eligibility. That written notification of termination may be sent as an attachment to an e-mail.

HOC will allow the family to reschedule an appointment for good cause. Generally, no more than one opportunity is given to reschedule without good cause, and no more than two opportunities are given for good cause. When good cause exists for missing an appointment, HOC will work closely with the family to find a more suitable time. Applicants are advised of their right to an informal review before being removed from the wait list.
Notification of Negative Actions

Any applicant whose name is being removed from the wait list will be notified by HOC, in writing, that they have ten (10) calendar days from the date of the written correspondence to present mitigating circumstances or request an informal review. The letter will also indicate that their name will be removed from the wait list if they fail to respond within the timeframe specified. HOC’s system of removing applicant names from the wait list will not violate the rights of persons with disabilities. If an applicant claims that their failure to respond to a request for information or updates was caused by a disability, HOC will verify that there is in fact a disability, that the disability is what caused the failure to respond, and then provide a reasonable accommodation. An example of a reasonable accommodation would be to reinstate the applicant on the wait list based on the date and time of their original application.

Purging the Wait List

HOC will update and purge its wait list as needed to ensure that the pool of applicants reasonably represents the interested families for whom HOC has current information, i.e. applicant's address, family composition, income category, and preference.
