RE: Authorization to Submit HOC's Fiscal Year 2023 Section Eight Management

Assessment Program ("SEMAP") Certification to HUD

DATE: June 20, 2023

STATUS: Consent ____ Deliberation ___ X __ Status Report ____ Future Action ____

OVERALL GOAL & OBJECTIVE:

To authorize the Executive Director of the Housing Opportunities Commission of Montgomery County ("HOC" or the "Commission"), or their designee, to submit HOC's Fiscal Year ("FY") 2023 Section Eight Management Assessment Program certification to the U.S. Department of Housing and Urban Development ("HUD").

BACKGROUND:

SEMAP is designed to measure whether the Section Eight tenant-based programs operate to help eligible families afford decent rental units at the correct subsidy cost. SEMAP also establishes an objective system for HUD to measure Public Housing Authority ("PHA") performance in key Section Eight program areas so as to enable program integrity and accountability.

HUD published a Final Rule in the Federal Register on June 20, 2000. This rule mandates that the PHA administering the Section Eight tenant-based rental assistance program must submit the HUD Form 52648, SEMAP Certification, to HUD annually. The certification, which measures the status of HOC's administration of the Section Eight program for the prior fiscal year, is submitted to HUD annually within 60 days after the end of the given fiscal year. For HOC, this date is August 29, 2023. Once approved, the contents of the attached HUD Form 52648 and corresponding indicator scores are transmitted electronically using HUD's Public and Indian Housing Certification (PIC) system.

This SEMAP certification includes HOC's assessment of program administration in 14 areas. The HOC Compliance Division performs quality control reviews ("QCs") for all areas.

The chart below identifies the individual indicator areas, the maximum points possible, the points HOC received for FY 2022, and what HOC will certify in its FY 2023 submission.

Indicator	Indicator Title	Maximum Possible Points	2022 Rating	2023 Certification

Program Points		145	125	130

	Total Points	-	130	135

There are three possible categories for the final SEMAP score and overall performance rating as described at 24 CFR 985.103. They are as follows:

- 1. **High Performer rating**: PHAs with a SEMAP score of at least 90 percent are rated high performers. High performers may receive national recognition by HUD and may be given competitive advantage under HUD Notices of Fund Availability ("NOFA").
- 2. **Standard rating:** PHAs with a SEMAP score of 60-89 percent are rated standard.
- 3. **Troubled rating:** PHAs with a SEMAP score of less than 60 percent are rated troubled.

HOC's FY 2023 SEMAP Certification submission equals **135** points, or **93%** percent of the overall total program points. HOC's program profile status is **High Performer**. HOC's score increased five points from the FY 2022 submission.

Discussion:

The indicators outlined below received partial or zero points:

Indicator Two: Reasonable Rent (15 out of 20 points)

- **Explanation:** Quality control reviews related to determination of reasonable rent for customers moving to new units and owners of current customers requesting annual rent increases resulted in a 92% pass rate, however, the SEMAP standard for receiving full points is 98%.
- Corrective Action: The Housing Resources Division (HRD) will continue to place emphasis
 on monitoring and training staff in the processing of rent reasonableness timely and
 accurately in relation to customers moving into new units and owner-requested annual
 rent increases.

The Compliance Division will continue to place an emphasis on conducting quality control reviews for actions related to rent reasonableness determination. These actions include initial rent reasonableness processing when customers first move into a unit, as well as annual rent increase requests submitted by current owners. Compliance will meet with HRD after all QC review periods to discuss any deficiencies discovered, and to provide training recommendations.

Indicator Six: HQS Enforcement (zero out of 10 points)

- **Explanation**: Quality control reviews of HQS-related QCs revealed three 24-hour emergency issues that were not addressed within the required timeframe. SEMAP regulations state that all 24-hour emergency issues must be addressed within the required timeframe to receive points.
 - Additionally, 90% of other SEMAP related inspection items received a pass rating, however, the SEMAP standard for receiving the points for this indicator is 98%. There is no opportunity for receiving partial points for this indicator.
- Corrective Action: HRD continues to address the issues that contributed to the loss of points. Efforts require coordination between HOC Inspection Services staff and Inspection Experts, Inc. (IEI), the third party company HOC uses to conduct the HQS inspections for our voucher participants. HRD staff will place an emphasis on monitoring failed inspections and the corrective time periods (24-hours for emergency repairs and 30 days for other deficiencies), as well as timely and accurate abatement of Housing Assistance Payments resulting from failed inspections.

The Compliance Division will continue to place an emphasis on conducting quality control reviews for actions related to HQS enforcement, specifically for failed inspections, reinspections, and abatements. Compliance will meet with HRD after all QC review periods to discuss any deficiencies discovered, and to provide training recommendations.

HOC is consistently rated as a High Performer under the SEMAP program and continues to work diligently to improve the accuracy of all HCV program activities. Specific attention is placed on quality control reviews for the items outlined above, specifically, inspection related items and rent reasonableness activity.

Federal regulations require HUD to issue its final ratings to HOC within 120 days of HOC's Fiscal Year end. The notification letter from HUD will require HOC to respond within 45 days if there are any corrective actions for any SEMAP deficiencies. HOC staff will promptly address and correct any issues that HUD identifies.

ISSUES FOR CONSIDERATION:

Does the Administrative and Regulatory Committee wish to join staff's recommendation to the Commission to authorize the Executive Director, or her designee, to submit the FY 2023 SEMAP Certification to HUD on or before August 29, 2023?

TIME FRAME:

For discussion by the Administrative and Regulatory Committee at its meeting on June 20, 2023. For formal Commission action on July 12, 2023.

STAFF RECOMMENDATION & COMMISSION ACTION NEEDED:

Staff recommends that the Administrative and Regulatory Committee join staff's recommendation to the Commission to authorize the Executive Director, or her designee, to submit the FY 2023 SEMAP Certification to HUD on or before August 29, 2023.

This agency may not conduct or sponsor, and you are not required to respond to, a collection of information unless it displays a currently valid OMB control number.

This collection of information is required by 24 CFR sec 985.101 which requires a Public Housing Agency (PHA) administering a Section 8 tenant-based assistance program to submit an annual SEMAP Certification within 60 days after the end of its fiscal year. The information from the PHA concerns the performance of the PHA and provides assurance that there is no evidence of seriously deficient performance. HUD uses the information and other data to assess PHA management capabilities and deficiencies, and to assign an overall performance rating to the PHA. Responses are mandatory and the information collected does not lend itself to confidentiality.

U.S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

WASHINGTON, DC 20410-5000

December 14, 2022

Ms. Lynn Hayes Director of Housing Resources Housing Opportunities Commission 10400 Detrick Avenue Kensington, MD 20895

Dear Ms. Hayes:

The Department of Housing and Urban Development (HUD) reviewed the Housing Opportunities Commission (HOC) request submitted pursuant to Notice PIH 2022-30, "Extension of Certain Regulatory Waivers for the Housing Choice Voucher (including Mainstream and Mod Rehab) Program and Streamlined Review Process." The Notice provided instructions on the streamlined processing of public housing authority (PHA) requests to use specific regulatory waivers for the Housing Choice Voucher (HCV) (including Mainstream) program. The waivers you requested are marked "Yes" in column one on the table below.

Background:

In the context of the public health emergency, the CARES Act provided HUD with authority to waive statutes and regulations (except for requirements related to fair housing, non-discrimination, labor standards, and the environment) for the Housing Choice Voucher (HCV) and Public Housing programs. These waivers provided PHAs with the flexibility to adjust program practices where necessary so that they could prioritize mission critical functions. Most CARES Act waivers and alternative requirements contained in Notice PIH 2021-14 (published May 5, 2021) expired on December 31, 2021; specific previously exercised HCV waiver approvals extended into 2022.

Through subsequent PIH notices, and now through PIH Notice 2022-30, HUD provides a streamlined process for PHAs requesting certain regulatory waivers in order to provide continued flexibility to PHAs to respond to the pandemic, especially fluctuating rental markets. Using regulatory waiver authority provided in 24 CFR 5.110, HUD will consider requests to approve regulatory waivers listed in Table 1 below based on a PHA's statement of good cause.

Table 1. List of streamlined regulatory waivers.

Item	Waiver Name	Regulation	Summary of relief from
			HUD requirements
(1)	Increase in Payment Standard During HAP Contract Term	982.505(c)(4)	PHAs have the option to increase the payment standard for the family at any time after the effective date of the increase, rather than waiting for the next regular reexamination.

(2)	Voucher Tenancy:	982.503(b)	PHAs may establish payment standards
	New Payment		from 111 to 120 percent of the
	Standard Amount		applicable FMR.

HOC's application was submitted by an authorized official and included HOC's justifications for the waiver(s) to be granted. Notice PIH 2022-30 specifies that good cause justification must include: (a) why a PHA needs the waiver; (b) the impact on PHA operations or applicants if the waiver is not provided; and (c) the proposed waiver duration is limited to only the time necessary for a PHA to resume normal operations and not to exceed December 31, 2023.

Additionally, if requesting a waiver of Regulation 24 CFR § 982.503(b) Voucher Tenancy: New Payment Standard Amount, a PHA must certify that it meets one of the following good cause reasons (explained in further detail in Notice PIH 2022-30): (1) The PHA's jurisdiction is in a Fair Market Rent (FMR) area identified by HUD to have significant rental market fluctuations, where an increase in the PHA's payment standards up to 120 percent of the FMR may help the PHA more quickly respond to local circumstances (a list of these FMR areas is attached to Notice PIH 2022-30); (2) Utilization Rate is lower than 98 percent for the current year-to-date or more than a 5 percent reduction between years 2019 and 2021; or (3) less than 85 percent of the PHA's vouchers issued in the last six months have leased. If your PHA adopts this waiver, please notify *PIH_Expedited_Waivers@hud.gov* if it elects to change its payment standards back to the basic range between 90 and 110 percent based on the FY 2023 FMR.

After reviewing the waiver request(s) and considering HOC's stated justification(s) of good cause, HUD: (1) finds there is good cause to waive, and hereby waives, the regulations and/or requirements marked "APPROVED" in the "Waiver Status" column and/or (2) finds there is not good cause to waive, and therefore does not waive, the regulations and/or requirements marked "NOT APPROVED" in the "Waiver Status" column.
